

Job Vacancy Unity Game Developer

Hunted Cow Studios Ltd is looking for a Unity Game Developer with Unity 5 and C# programming skills to join our team based in Elgin, Moray. You will be working in a friendly, dynamic and agile environment, becoming part of our talented team who design, develop and deploy award winning mobile and PC games.

The right candidate requires experience working in C# and understands how to optimise for performance on limited platforms such as mobile devices and low memory systems. You must be able to take initiative and make decisions about technical approaches. This role requires a motivated individual, who can generate confidence and to share ideas, thoughts and opinions to help drive the project.

Core Skills:

- Excellent knowledge of Unity 5 game engine.
- Excellent knowledge of .NET and C#.
- Clean and robust programming skills.
- A passion for game development & design.
- Creative attitude to problem solving.
- Ability to work as part of a team and take initiative.
- A good understanding of unique aspects of developing for mobile device.
- An understanding of the free-to-play business model.
- Exceptional verbal and written communications skills in addition to good level of mathematics.
- Good timekeeping.

Pluses:

- Degree in Games Development or related subjects.
- Experience with Git and version control systems.
- Experience with JSON documents.
- Experience communicating with PHP backends and APIs.
- An example project or product which demonstrates your work.

Please include any information you can give about past projects and experience. Information about other games you have been involved in would be a bonus.

39 hours per week.
Above NMW, Negotiable

Closing Date: 5pm Friday, 31st March 2017

Please apply via **email** to info@huntedcow.com with the subject line “**UGD Application**” and include:

- **Resume / CV**
- **Cover Letter** which should include:
 - Why you are interested in working at Hunted Cow
 - Why do you think you would be suitable for the role.
 - What games you are interested in.

Please note:

- Only applications with Cover Letters will be considered.
- We don't accept applications from recruitment agencies.
